CAPO V

Joshua Radin

INTRO

Am F C G X2

Am F C G
I should know Who I am by now

Am F C G
I walk The record stands somehow

Am F C G
Thinking of winter

Am F C G
Your name is the splinter inside me

C F Am G
While I wait

REFRAIN

Dm G
And I remember the sound
C F C
Of your November downtown
Dm G
And I remember the truth
C F
A warm December with you
G C G F
But I don't have to make this mistake
G C G F
And I don't have to stay this way
C
If only I would wait

Am F C G
The walk has all been cleared by now

Am F C G
Your voice is all I hear somehow

Am F C G
Calling out Winter

Am F C G
Your voice is the splinter inside me

C F Am G
While I wait

REFRAIN

Am G F C
I could have lost myself In rough

Am G F C
blue waters in your eyes And I

Am G C
miss you still

REFRAIN
