

G

All my life was a paper

Cadd11

Once plain, pure and white

Bm**G7**

Till you moved with your pen, changin' moods now and then

Cadd11

Till the balance was right

G

Then you added some music

Cadd11

Every note was in place

Bm**G7**

And any body could see all the changes in me

Cadd11**D Cadd11**

by the look on my face

REFRAIN**G Bm Cadd11 D7 G Bm Cadd11**

And you decorated my life

B7 Em Em7

Created a world

Am7 D7

Where dreams are a part

Cadd11 G Bm Cadd11 D7 G Bm Cadd11

And you decorated my life

B7 Em Em7**Am7 D7**

By paintin' your love all over my heart

INTRO G B9 ...

You decorated my life

G (wime vive)

Like a rhyme with no reason

Cadd11 (unfinisht)

In an unfinished song

Bm**G7**

There was no harmony, life meant nothin' to me

Cadd11

until you came along

G

And you brought out the colors

Cadd11

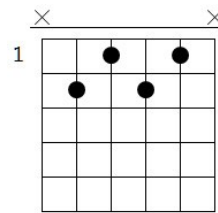

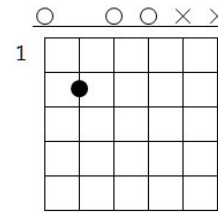

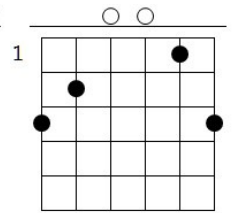

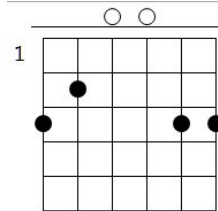

What a gentle surprise

Bm**G7**

Now I'm able to see all the things life can be

Cadd11**D Cadd11**

, shinin' soft in your eyes
